Community Emergency Response Times - Greater Melbourne
CFA has service delivery standards, which specify a response time target to attend an emergency incident. There are different service delivery standards (response times) across the State, depending on the hazards and risks within a geographic area.

This map shows the percentage of incidents where the community received a response within the applicable service delivery standard (SDS) in a brigade area across all hazard classes for the period of 1 July to 30 September 2024 (Q1). This map shows the timeliness of the service the community received within the brigade area.
